

# TENDER DOCUMENTATION

## **PUBLIC PROCUREMENT – Servicing the system of artificial snow Technoalpin, no. 53/16**

### **NEGOTIATION PROCEDURE WITHOUT AN INVITATION TO BID**

Date of announcing at Portal of Public Procurement Office:	28.09.2016.
Date of submitting a bid:	14.10.2016. until 12 p.m.
Date of opening bid:	14.10 .2016. at 12:30 p.m.

September, 2016.

Pursuant to Article 36. Paragraph 1. point 2 and of the Law on Public Procurement (RS Official Gazette, No 124/2012, 14/15, 83/15), (hereinafter: the LPP), Article 5 of the Rules on Mandatory Elements of Tender Documentation and the Manner of Proving the Fulfilment of Requirements (RS Official Gazette, No 86/15), Decision on Initiating the Public Procurement Procedure number 2929 dated on 31.08.2016. and the Decree on the Formation of Public Procurement Committee No 2930 dated 31.08.2016., it was prepared as follows:

**TENDER DOCUMENTATION**  
**in the negotiating procedure without an invitation to bid in a public procurement**  
**procedure No. 53/16**

The tender documentation includes:

<i>Chapter</i>	<i>Chapter title:</i>	<i>Page</i>
I	Data on the public procurement	3
II	Data on the subject of the public procurement	4
III	Type, technical specifications, quantity and description of services	5
IV	Technical specification with price structure form	6-39
V	Conditions for bidding in the public procurement from Art. 75 and 76 and Instructions how to prove fulfilment of the conditions:	40-42
VI	Contract elements to be negotiated upon and the manner of negotiations	43
VII	Instructions to bidders on how to prepare the bid	44-50
VIII	Bid form	51-54
IX	Bid preparation expenses form	55
X	Form of the Statement on the Independent Bid	56
XI	Statement on Conformity with Art. 75 Par. 2 of the PPL	57
XII	Contract Model	58-61

## ***I GENERAL DATA ON THE PUBLIC PROCUREMENT***

### **1. Data on the Procuring Entity**

The Procuring Entity: Public Enterprise "Ski Resorts of Serbia"  
Address: Milutina Milankovica 9, New Belgrade  
Web page of the Procuring Entity: [www.skijalistasrbije.rs](http://www.skijalistasrbije.rs)

### **2. Type of public procurement:**

This public procurement is executed in the form of a negotiation procedure without invitation to bid, in accordance with the LPP and the bylaws governing public procurements.

The grounds for applying the negotiation procedure without invitation to bid are the following:

Article 36, Paragraph 1, Item 2 of the Law on Public Procurement stipulates that a Procuring Entity may initiate a negotiation procedure without invitation to bid if, due to technical or artistic nature of the subject of the public procurement, or for reasons related to protection of exclusive rights, the supply can only be executed by a certain bidder.

Bidder Technoalpin is the only bidder for this public procurement, due to technical reasons, as manufacturer of the system for artificial snow.

Pursuant to Article 36, Paragraph 2 of the Law on Public Procurement, prior to initiating the procedure, the Procuring Entity asked the Public Procurement Office, for the opinion of conducting negotiation procedure, and the PPO issue positive opinion no. 404-02-821/16 dated on 17.03.2016.

### **3. Subject of the public procurement**

Subject of the public procurement no. 53/16 are services – servicing the system of artificial snow Technoalpin.

### **4. Contact (person or office)**

Contact office: Public Procurement Department,  
e-mail [daliborka.vukojevic@skijalistasrbije.rs](mailto:daliborka.vukojevic@skijalistasrbije.rs)

## ***II DATA ON THE SUBJECT OF THE PUBLIC PROCUREMENT***

### **1. Subject of the public procurement**

Subject of the public procurement no. 53/16 are services - servicing the system of artificial snow manufacturer Technoalpin.

Code from the general public procurement glossary:  
50000000 maintenance and repairs

### **2. Lots**

The subject of this procurement is not divided into lots.

### ***III TYPE, TECHNICAL SPECIFICATIONS, QUANTITY AND DESCRIPTION OF SERVICES, TERM AND POINT EXECUTION OF SERVICES***

#### **1. Type of services**

Subject of the public procurement no. 53/16 are services - servicing the system of artificial snow manufacturer Technoalpin.

#### **2. Technical characteristics**

In conformity with the technical specification requirements from Chapter IV of the Tender Documentation.

#### **3. Term and point of servicing**

Point of servicing: Ski resorts Kopaonik and Stara planina, Republic of Serbia

The deadline for service and execution is 30 days after the invitation by the Purchaser.

In case of emergency (services the system of artificial snow Technoalpin in the period from 15.12. - 31-03.) the service provider is obliged to, within 72 hours from the moment calls by the Purchaser to act upon the request, go out into the field and determine the nature of the fault and carry out repair the fault.

Exceptionally, the deadline for the implementation may be extended with the consent of the Purchaser when the nature of the business or the degree of failure requires, when weather conditions do not allow conducting the services, or when is necessary to transport parts in the EU due to maintenance or reparations.

***IV TECHNICAL SPECIFICATION WITH PRICE STRUCTURE FORM***

Bidder shall fill in this form, certify the stamp and signature.

Bidder is required to complete each item in the structure of prices form, for both tables.

If the Bidder doesn't fill in all the required items, the offer will be rejected as unacceptable.

**SERVICE ACTIVITIES AT THE SYSTEM OF ARTIFICIAL SNOW TECHNOALPIN**

## ***V REQUIREMENTS FOR BIDDING IN THE PUBLIC PROCUREMENT FROM ART. 75 AND 76 AND INSTRUCTIONS HOW TO PROVE FULFILMENT OF THE CONDITIONS***

### ***1. REQUIREMENTS FOR BIDDING IN THE PUBLIC PROCUREMENT FROM ART. 75 AND 76 OF THE LPP***

- 1.1.** The entitled bidders in this public procurement is the bidder who meets the **compulsory conditions** prescribed in Article 75 of the LPP, as follows:
- 1) The bidder must be registered with the competent public authority or enlisted in the appropriate register (Art. 75, Par. 1, Item 1 of the LPP);
  - 2) The bidder and its legal representative have not been convicted for any criminal offence as members of an organized criminal group; that it has not been convicted for commercial criminal offence, criminal offence against environment, criminal offence of receiving or offering bribe, criminal offence of fraud (Art. 75, Par. 1, Item 2 of the LPP);
  - 3) The bidder must settle all taxes, contributions and other public liabilities in line with the regulations of the Republic of Serbia or a foreign state where the bidder's seat is located (Art. 75, Par. 1, Item 4 of the LPP);
  - 4) When preparing the bid, the bidder shall explicitly state that he has complied with the liabilities arising from current regulations on safety at work, employment and working conditions, environmental protection, and that the bidder guarantees that has not been prohibited from performing economic activities by any measure in force at the time of submitting a bid (Art. 75, Par. 2 of the LPP).
- 1.2.** If the bidder is bidding with a subcontractor, pursuant to Article 80 of the LPP, the subcontractor must meet the requirements referred to in Article 75, Paragraph 1, Items 1 to 4 of the LPP.
- 1.3.** If the bid is submitted by a group of bidders, each bidder from the group of bidders shall fulfil the requirements referred to in Article 75, paragraph 1, items 1 to 4 of the LPP.

### ***2. INSTRUCTION HOW TO PROVE COMPLIANCE WITH REQUIREMENTS – COMPLIANCE FORM***

Bidders shall prove compliance with the **compulsory conditions** by submitting the following evidence:

Fulfillment of mandatory requirements for participation in the public procurement, bidder proves by submitting the following documentation:

- Requirement from Art. 75 paragraph 1 item 1) of the Law – **Proof:** Excerpt from the register of the Business Registers Agency, or excerpt from the register of the Commercial Court or competent authority;

- Requirement under Art. 75 Paragraph 1) item 2) of the Law – **Proof:** Legal entities: 1) Excerpt from a criminal record, that is, certificate of the Basic Court in whose territory is the seat of the local legal entity, that is headquarters office or branch of a foreign legal entity, confirming that legal entity has not been convicted for criminal acts against economy, crimes against the environment, offense of receiving or giving bribes, crime act of fraud.

**Note:** If the certificate of a Basic Court does not include data from the criminal records, for crimes within jurisdiction of the Ordinary Criminal Division of the High Court, it is necessary, beside a certificate of a Basic Court to submit **ALSO A CERTIFICATE OF A HIGH COURT**, in whose territory is the seat of the local legal entity, that is, the seat of the representative office or branch of a foreign legal entity, confirming that legal person has not been convicted for crimes against the economy and crime of accepting bribes; 2) A copy of a criminal record of the Special Department for Organized Crime of a Higher Court in Belgrade, confirming that the legal person has not been convicted for any of the criminal acts of organized crime; 3) A copy of the criminal record, that is, a certificate of the competent police department, confirming that the legal representative of the bidder has not been convicted for crimes against the economy, crimes against the environment, crimes of receiving or giving bribes, crime of fraud and one of crimes of organized crime (the request may be submitted by place of birth or the place of residence of the legal representative). If a bidder has more legal representatives, he is obliged to provide evidence for each of them.

**Entrepreneurs and individuals:** Excerpt from a criminal record, that is, a certificate of **the competent police department**, confirming that he has not been convicted for any of the offenses as a member of an organized criminal group, that he has not been sentenced for crimes against the economy, crimes against the environment, crime of receiving or giving bribe, crime of fraud (request may be submitted by place of birth or by place of residence).

**Evidence may not be older than two months before the opening of the bids;**

3. Requirement under Art. 75 Paragraph 1) item 3) of the Law – **Proof:** Legal entities: Certificates of Commercial and Misdemeanor Court that he had not been prohibited from performing activities, or certificate of the Business Registers Agency, that with that authority is not registered, that as a business enterprise he was prohibited to do business, which is in force at the time of announcement of an invitation to bid;

Entrepreneurs: Certificate of the Misdemeanor Court that he had not been prohibited from performing activities, or certificate of the Business Registers Agency that with that authority is not registered, that as a business entity is prohibited to do business, which is in force at the time of announcement of an invitation to bid; Natural person: Certificate of a Misdemeanor Court that he had not been prohibited from performing certain businesses.

**Proof must be issued after sending the invitation to bid;**

4. Requirement under Art. 75 Paragraph 1) item 3) of the Law – **Proof:** Certificate of the Tax Administration of the Ministry of Finance and Economy, that he has paid due taxes and contributions and a certificate of the entitled local self-government authority, that he has fulfilled all his obligations arising from the original local public revenues or certificate of the Privatization Agency, that the Bidder is in the process of privatization.

**Evidence may not be older than two months before the opening of bids;**

5. Requirement under Art. 75 Paragraph 2) – **Proof:** Signed and certified Form of the statement (Statement form is given in Chapter XII). Statement must be signed by an authorized person of a bidder and stamped. **If the bid is submitted by a group of bidders**, Statement must be signed by the authorized person of each bidder from a group of bidders and stamped.

If a bid is submitted by a group of bidders, bidder is obliged for each member of the group to deliver mentioned proofs that meets the requirements from Article 75 Paragraph 1 item 1) to 4).

If a bidder submits a bid with a subcontractor, bidder is obliged to submit evidence that the subcontractor meets the requirements from Article 75 Paragraph 1 items 1) to 4) of the Act.

Mentioned proofs on fulfillment of conditions, bidder can deliver in the form of uncertified copies, and ordering party may, before making the decision to award the contract, to require from the bidder, whose bid was, based on the report for public procurement, estimated as the most favorable, to present for inspection original or a certified copy of all or particular evidence.

If a bidder in a provided, reasonable time, which cannot be less than five working days, does not present for inspection original or certified copy of asked proofs, ordering party shall reject its bid as unacceptable.

Bidders who are registered in the Register of bidders kept by the Business Registers Agency, which is publicly available on the website of the BRA, are not obliged when submitting a bid to prove compliance with the mandatory requirements, in accordance with Article 78 of the Law on Public Procurement.

Bidder shall not reject an offer as unacceptable, unless it does not contain proof determined by tender documentation, if the bidder indicates in an offer webpage on which the required data within the conditions are publicly available.

If the proof of condition fulfillment is an electronic document, bidder shall submit a copy of an electronic document in writing, in accordance with the Law governing electronic document, unless it submits electronic bid when the proof is submitted in the original electronic format.

**If the country, in which the bidder has headquarters, does not issue required evidence, bidder may, instead of proofs, submit its written statement, made under penalty of perjury, certified before a judicial or administrative authority, a notary or other competent authority of that country.**

**If a bidder has headquarters in another country, ordering party can verify if the documents, with which the bidder proves fulfillment of required conditions, are issued by the competent authorities of that state.**

Bidder is obliged to promptly inform ordering party of any change, regarding the fulfillment of conditions of the public procurement procedure, which comes till the decision, that is, the conclusion of the contract, that is, during the term of the contract on public procurement and to document it according to regulations.

## ***VI CONTRACT ELEMENTS TO BE NEGOTIATED UPON AND THE MANNER OF NEGOTIATIONS***

The subject of the negotiations shall be unit prices from the bid.

The negotiation process shall commence immediately after the bid is opened, with an authorized representative of the bidder who has submitted the bid. There shall be two rounds of negotiations, before the bidder offers his final price.

Prior to the initiation of the negotiations, the representative of the bidder must submit to the committee a written authorisation to attend the bid opening procedure and the authorisation to negotiate, stamped and signed by the legal representative of the bidder.

If the authorised representative does not attend the negotiation procedure, it shall be assumed that his final price is the price stated in the bid.

It is not permitted to offer a higher price in the negotiation process than the price stated in the bid.

The Procuring Entity shall make sure in the negotiation process that the contractual price is not higher than the comparative market price and shall diligently check the quality of the subject of the procurement.

The Procuring Entity shall make a record on the negotiation process.

## **VII INSTRUCTIONS TO BIDDERS ON HOW TO PREPARE THE BID**

### **1. DATA ON THE LANGUAGE IN WHICH THE BID MUST BE MADE**

The bid shall be written in the Serbian language and in the English language.

The tender document is made on Serbian and English language.

In case of disagreement of two versions, authoritative version of tender document is version in Serbian language.

### **2. THE MANNER IN WHICH THE BID MUST BE MADE**

Bidder shall submit the bid in person or by mail in a sealed envelope or box, so that at its opening it can be verified that it has been opened for the first time.

The back of the envelope shall contain the correct name and address of the bidder.

In case a bid is submitted by a group of bidders, it shall be stated on the envelope that it is submitted by a group of bidders and it shall contain the names and addresses of all the joint bidders.

The bid shall be submitted to the following address: PE "SKI RESORTS OF SERBIA", Milutina Milankovica 9, 11 070 New Belgrade, with the following note: "A bid in a public procurement procedure – servicing the system of artificial snow Technoalpin, PP No. 53/16 – DO NOT OPEN". The bid shall be deemed timely if it has been received by the Procuring Entity before the deadline for submitting bids has expired – 14.10.2016, by 12 p.m., local time. The bid opening procedure and the negotiation procedure shall be on the same day, 14.10.2016, commencing at 12.30 p.m.

Upon receipt of each bid, the Procuring Entity shall record on the envelope, i.e. box, containing the bid the time of receipt and record the number and date of the bid in the order of arrival. If a bid is submitted in person, the Procuring Entity shall give to the bidder a certificate of receipt. In this certificate of receipt, the Procuring Entity shall state the date and time of the receipt of the bid.

The bid that the Procuring Entity does not receive within the deadline set for the receipt of bids, i.e. which is received after the date and hour set as the deadline for the receipt of bids, shall be deemed untimely.

A bid must comprise the following:

- Bid form (filled in, stamped and signed)
- Technical specification with price structure form (filled in, stamped and signed)
- Proofs on compliance with the requirements for bidding in the public procurement (filled in, stamped and signed)
- Form of the Statement on the Independent Bid (filled in, stamped and signed)
- Statement on Conformity with Art. 75, Paragraph 2 of the LPP. (filled in, stamped and signed)
- Contract model (filled in, stamped and signed)

### **3. LOTS**

The subject of this procurement is not divided into lots.

#### **4. BIDS WITH VARIATIONS**

Bids with variations are not allowed.

#### **5. AMENDMENTS, SUPPLEMENTS AND CANCELLATION OF BIDS**

Within time limits for submitting the bid, the bidder may change, amend or revoke its bid in the manner specified for bid submission.

The bidder shall clearly mark the part of the bid which is being changed, and/or subsequently added to the document.

The amendments, supplements or cancellations shall be submitted to the following address: PE Ski Resorts of Serbia, Milutina Milankovica 9, New Belgrade, with the following note:

"Amendments to the public procurement – PP No. 53/16 – DO NOT OPEN" or

"Supplements to the public procurement –PP No. 53/16 – DO NOT OPEN" or

"Cancellation of the public procurement –PP No. 53/16 – DO NOT OPEN" or

"Amendments and supplements to the public procurement –PP No. 53/16 – DO NOT OPEN".

The back of the envelope or the box shall contain the correct name and address of the bidder. In case a bid is submitted by a group of bidders, it shall be stated on the envelope that it is submitted by a group of bidders and it shall contain the names and addresses of all the joint bidders.

After the deadline for submission of bids has expired, a bidder is not allowed to change his bid.

#### **6. PARTICIPATION IN A JOINT BID OR AS A SUBCONTRACTOR**

A bidder may submit one bid only.

The bidder who has independently submitted its bid cannot simultaneously participate in some other bid as a joint bidder or as a subcontractor, nor can he participate in several joint bids.

In the Bid Form (Chapter VIII), the bidder shall state the manner in which he is submitting the bid, i.e. whether he is bidding independently or as a joint bidder, or with a subcontractor.

#### **7. BIDS WITH A SUBCONTRACTOR**

If a bidder is bidding with a subcontractor, he shall state in the Bid Form (Chapter VIII) that he is bidding with a subcontractor, the percentage of the total procurement value to be entrusted with the subcontractor, which may not exceed 50% as well as the part of the subject of the public procurement to be executed by the subcontractor.

In the Bid Form, the bidder shall state the name and the head office address of the subcontractor, if he is to entrust a subcontractor with the execution of a part of the procurement.

If the Procuring Entity and the bidder who is bidding with a subcontractor conclude the contract on public procurement, the subcontractor shall be indicated in the public procurement contract.

The bidder shall submit evidence for the subcontractors on compliance with the requirements stated in Chapter V of the tender documentation, in accordance with the Instructions on how to prove compliance with the requirements.

The bidder shall be fully responsible to the Procuring Entity for the execution of all the liabilities under the procurement, i.e. the contractual obligations, regardless of the number of subcontractors.

The bidder shall provide access to the Procuring Entity, upon the Procuring Entity's request, to the subcontractor for the purpose of determining compliance with the requirements.

### **8. A JOINT BID**

A bid may be submitted by a group of bidders.

If a bid is submitted by a group of bidders, an integral part of the joint bid shall be the agreement whereby the bidders from the group commit to each other and to the Procuring Entity to execute the public procurement, which shall comprise the data from Article 81, Par. 4, of the LPP as follows:

- the leading member of the group, i.e. the one who will submit the bid and represent the group of bidders before the Procuring Entity;
- the responsibilities of each bidder from the group of bidders for the execution of the contract.

The group of bidders shall submit written statement on compliance with the requirements stated in Chapter V of the tender documentation, in accordance with the Instructions on how to prove compliance with the requirements.

The bidders from the group of bidders shall bear unlimited joint and several liability towards the Procuring Entity.

### **9. METHOD AND TERMS OF PAYMENT, GUARANTEE PERIOD, AND OTHER CIRCUMSTANCES THAT DETERMINE THE ACCEPTABILITY OF A BID**

#### **9.1. Requirements regarding the method and terms and conditions of payment**

Payment is in legal term, after complete performed service and submitted invoices for performed service, with the specification of the services, replaced parts, according to the unit prices in the form of price structure.

Payment is made by transfer to the account of the bidder, based on the unit prices of services offered in the bid.

#### **9.2. Requirements regarding the deadline**

Deadline for service and execution is 30 days after the invitation by the Purchaser. In case of emergency (services at the system Technoalpin in the period from 15.12. - 31-03.) the service provider is obliged to, within 72 hours from the moment calls by the Purchaser to act upon the request, go out into the field and determine the nature of the fault and carry out repair the fault.

Exceptionally, the deadline for the implementation may be extended with the consent of the Purchaser when the nature of the business or the degree of failure requires, when weather conditions do not allow conducting the services, or when is necessary to transport parts in the EU due to maintenance or reparations.

#### **9.3. Requirements regarding bid validity period**

Bid validity period may not be shorter than 30 days from the day of the bid opening.

In the case that the validity of a bid has expired, the Procuring Entity shall ask the bidder in writing for the extension of the validity period.

The bidder that accepts the extension request may not change the bid.

**10. THE CURRENCY AND HOW THE PRICE STATED IN THE BID SHALL BE STATED**

The Procuring Entity allows the bidder to state the price in Euro. The price shall be converted into dinars using the medium exchange rate of the National Bank of Serbia on the date when the bid opening started. The price may not be changed. If the offered price includes import duties and other charges, the bidder is obliged to express that part separately in dinars.

**11. DATA ON THE TYPE, CONTENTS, WAY OF SUBMITTING, AMOUNT AND EXPIRY DATES FOR PERFORMANCE BONDS OF THE BIDDERS**

The Procuring Entity does not require financial securities in this public procurement.

**12. NON-DISCLOSURE OF THE DATA THE PROCURING ENTITY MAKES AVAILABLE FOR THE BIDDERS, INCLUDING THEIR SUBCONTRACTORS**

This procurement does not contain confidential information made available by the Procuring Entity.

**13. ADDITIONAL INFORMATION OR CLARIFICATIONS ON HOW TO PREPARE THE BID**

An interested person may request from the Procuring Entity in writing via regular mail or email of the Procuring Entity [daliborka.vukojevic@skijalistarsrbije.rs](mailto:daliborka.vukojevic@skijalistarsrbije.rs) additional information on how to prepare the bid, at least 5 days before the deadline for submitting bids has expired. Within three (3) days upon receiving the request for information and clarifications on the tender documentation, the Procuring Entity shall publish such information and clarifications on the public procurement portal and its website.

Additional information or clarifications are to be supplied with the following note: "Request for additional information or explanations on the tender documentation, **PP No. 53/16**."

If the Procuring Entity amends or supplements the tender documentation eight or less days before the expiry of the deadline for the submission of bids, it shall extend the deadline for the submission of bids and publish the information on the extension of the deadline for submission of bids.

After the deadline for submission of bids has expired, a bidder is not allowed to change or supplement the tender documentation.

Requesting additional information and clarifications about bid preparation over the phone is not allowed.

Communication in the public procurement procedure shall be made exclusively in the manner specified in Article 20 of the LPP.

**14. ADDITIONAL CLARIFICATIONS BY THE BIDDERS AFTER THE BID OPENING AND CONTROL WITH THE BIDDER AND/OR HIS SUBCONTRACTOR**

The Procuring Entity may, upon expert bid evaluation, request from the bidder in writing additional clarifications which will help in reviewing, evaluating and comparing the bid and it may also perform control (pre-inspection) of the bidder, i.e. his subcontractor (Article 93 of the LPP).

If the Procuring Entity concludes that additional clarifications are needed or that it is necessary to control (inspect) some elements with the bidder, and/or his subcontractor, the

Procuring Entity shall allow reasonable time for the bidder to act upon the request from the Procuring Entity, i.e. to enable the Procuring Entity the control (inspection) of the bidder and/or his subcontractor.

The Procuring Entity may, with bidder's consent, rectify arithmetic errors noticed while examining the bid, upon termination of the bid opening procedure.

If there is a difference between the unit and total price, the unit price shall be the reference one.

If the bidder does not consent to the correction of arithmetic errors, the Procuring Entity shall reject his bid as unacceptable.

#### ***15. CONTRACT ELEMENTS TO BE NEGOTIATED UPON AND THE MANNER OF NEGOTIATIONS***

The subject of the negotiations shall be unit prices.

The negotiation process shall commence immediately after the bid is opened, with an authorized representative of the bidder who has submitted the bid. There shall be two rounds of negotiations, before the bidder offers his final price.

Prior to the initiation of the negotiations, the representative of the bidder must submit to the committee a written authorisation to attend the bid opening procedure and the authorisation to negotiate, stamped and signed by the legal representative of the bidder.

If the authorised representative does not attend the negotiation procedure, it shall be assumed that his final price is the price stated in the bid.

It is not permitted to offer a higher price in the negotiation process than the price stated in the bid.

The Procuring Entity shall make sure in the negotiation process that the contractual price is not higher than the comparative market price and shall diligently check the quality of the subject of the procurement.

The Procuring Entity shall make a record on the negotiation process.

#### ***16. THE TYPE OF CRITERIA FOR AWARDING THE CONTRACT, THE ELEMENTS OF THE CRITERIA FOR AWARDING THE CONTRACT AND THE METHODOLOGY FOR PONDERING EACH ELEMENT OF THE CRITERIA***

“the lowest bid price”.

#### ***17. THE CRITERIA ELEMENTS UPON WHICH THE PROCURING ENTITY SHALL AWARD THE CONTRACT IN A SITUATION WITH TWO OR MORE BIDS WITH EQUAL NUMBER OF WEIGHTS OR THE SAME BID PRICE***

In this public procurement procedure participates only one bidder.

#### ***18. COMPLYING WITH THE OBLIGATIONS ARISING FROM CURRENT REGULATIONS***

In his bid, the bidder shall state under penalty of perjury that he has complied with all the obligations arising from current regulations on safety at work, employment and working conditions, environmental protection, and that the bidder guarantees that he is the holder of intellectual property rights. (The Bid Form given in Chapter XI of the tender documentation).

## ***19. USING PATENTS AND LIABILITY IN CASE OF BREACH OF THIRD PERSONS INTELLECTUAL PROPERTY RIGHTS***

The fee for the use of patents, as well as liability for breach of third parties intellectual property rights shall be borne by the bidder.

## ***20. MANNER AND DEADLINE FOR SUBMISSION OF REQUEST FOR PROTECTION OF BIDDERS RIGHTS***

Request for protection of rights may submit a bidder, or interested person, who has an interest in the awarding of contracts, in particular public procurement procedure, and who has suffered or could suffer damage due to actions of ordering party, contrary to law.

Request for protection of rights should be submitted to ordering party, and a copy simultaneously to Republic Commission.

Request for protection of rights may be submitted during the entire public procurement procedure, against any action of ordering party, unless the law provides otherwise.

Request for protection of rights, challenging procedure type, contents of the call for bids submission or bidding documentation shall be deemed timely, if received by ordering party no later than seven days before deadline for bids submission, regardless of the method of delivery, and if the applicant is in line with Article 63, Paragraph 2 of the Law, pointed out to ordering party any deficiencies and irregularities, and ordering party did not remove them.

Request for protection of rights challenging actions that ordering party takes, prior to deadline for submission of bids, and after expiry of the period from paragraph 3 of Article 149 LPP, will be considered timely, if it is filed no later than the deadline for tenders submission.

After bringing a decision of awarding a contract, and the decision to terminate the proceeding, the deadline for filing request for protection of rights is ten days from the date of decision publication on the Public Procurement Portal. With a request for protection of rights, acts of ordering party in the procedure of public procurement process cannot be challenged, if the applicant was or could have been aware of the reasons for its submission before the deadline for submission of a request from paragraph 3 and 4 of this Article, and claimant had not submitted it before that deadline.

If in the same procedure of public procurement once again was submitted request for protection of rights, from the same claimant, in this claim cannot be challenged actions of ordering party for which claimant knew or should have known when submitting the previous request.

Request for protection of rights does not retain further activities of ordering party in a public procurement procedure, in accordance with the provisions of Article 150 of LPP.

Ordering party publishes a notice on the filed request for protection of rights on the Public Procurement Portal, and on its website no later than two days from the date of receipt of request for protection of rights, which contains information from Annex 3Lj.

Request for protection of rights must contain:

- 1) name and address of applicant and a contact person;
- 2) name and address of ordering party
- 3) data on public procurement which is the subject of the request, that is, of the decision of ordering party
- 4) violations of regulations governing public procurement procedure;
- 5) facts and evidence to prove the violation;

- 6) receipt of fees payment from Article 156 of this Law;
- 7) applicant signature

**If a submitted request for protection of rights does not contain all necessary elements, ordering party shall reject such request by a conclusion.**

Submitter of request for protection of rights is obliged to, on a certain account of the budget of Republic of Serbia, pay fee of 60,000 dinars

All instructions, as well as examples and a way of filling in payment slip, in detail can be seen on the official webpage of the Republic Commission for Protection of Rights in the Public Procurement Procedures.

<http://www.kjn.gov.rs/download/Taksa-popunjeni-nalozi-ci.pdf>

### **INFORMATION ON HOW TO PAY FEE FOR SUBMITTING REQUEST FOR PROTECTION OF RIGHTS**

Complete instructions on payment of fees can be seen on the website of Republic Commission for Protection of Rights, link:

## XII CONTRACT MODEL

Concluded between:

**Public Enterprise "Ski Resorts of Serbia"**, with headquarters in Novi Beograd, 9 Milutina Milankovića, TIN 104521515, identification number 20183390, represented by Acting Director Dejan Cika (hereinafter referred to as the **Purchaser**)  
and

\_\_\_\_\_ based in \_\_\_\_\_, address \_\_\_\_\_, TIN \_\_\_\_\_, registration number \_\_\_\_\_ represented by \_\_\_\_\_ (hereinafter referred to as **Supplier**).

The Contracting Parties agree that:

- the Purchaser has, pursuant to Article 32 and 53 of the Law on Public Procurement (Official Gazette of the Republic of Serbia, No.124 /12, 14/2015,68/2015) and the Decision on initiation of procedure no. 2929 from 31.08.2016, carried out a negotiated procedure for public procurement of servicing the system of artificial snow Technoalpin, number of procurement 53/16;
- that the Supplier submitted its Bid number \_\_\_\_\_ from \_\_\_\_\_ 2016, archived with the Purchaser under the number \_\_\_\_\_ of \_\_\_\_\_ 2016 (*to be completed by the Purchaser*), which is an integral part of this contract and is attached thereto;
- that the offer of the Supplier is submitted with a subcontractor \_\_\_\_\_ or it is a joint offer \_\_\_\_\_, in accordance with the agreement on joint participation (*to be completed only in the event that the Bidder applies with a subcontractor, or in the case of a joint bid*);
- that the Purchaser has, in accordance with Article 108 of the Public Procurement Law, issued a Decision no. \_\_\_\_\_ from \_\_\_\_\_ 2016 (*to be completed by the Purchaser*), regarding the contract being awarded to the Supplier for Public Procurement no. 53/16.

### Subject of the Contract

#### Article 1

The subject of this Contract is servicing the system of artificial snow Technoalpin, all in accordance with the technical specification of the tender documentation and Supplier's Offer No. \_\_\_\_\_ from \_\_\_\_\_ 2016, which was archived with the Purchaser under number \_\_\_\_\_ from \_\_\_\_\_ 2016 (*to be completed by the Purchaser*), which is an integral part of this Contract and is attached to it.

### Price

#### Article 2

Unit prices for the services from Article 1 of this Contract are quoted in the Supplier's bid.

The Purchaser shall require executing of the services periodically and successively, in accordance with their needs, without having obligation to service and buy all the parts included in the technical specification.

The value of the Contract herein for services stipulated in Article 1 is amounting to 5.000.000,00 RSD VAT excluded.

The contracted unit prices are unchangeable for all time of this Contract.

Exceptionally, if, while servicing finds that is necessary replacement of some defective parts or servicing that are not in technical specification, the Purchaser shall pay for that service price, in accordance with valid price list of the Suppliers.

Replacing the defective part and servicing from the paragraph 5 of this Article can be done exceptionally, only with the written approval of the Purchaser.

## **Method of payment**

### **Article 3**

The Purchaser will make payment for services to the Supplier based on the unit prices from the price structure form from the bid, within legal term, after receiving the invoice with the list of actual services provided and Report on conducted services.

For the defective parts and servicing under Article 2, paragraph 5, Purchaser will pay for the service provided according to the price of the current price list of the Supplier.

For records of spent funds pursuant to Article 2 of this Agreement, Purchaser will use the middle exchange rate of NBS for the euro, on the date of receiving each invoice.

## **The deadline**

### **Article 4**

Deadline for service and execution is 30 days after the invitation by the Purchaser. In case of emergency (services the system of artificial snow Technoalpin in the period from 15.12. - 31-03.) the service provider is obliged to, within 72 hours from the moment calls by the Purchaser to act upon the request, go out into the field and determine the nature of the fault and carry out repair the fault.

Exceptionally, the deadline for the implementation may be extended with the consent of the Purchaser when the nature of the business or the degree of failure requires, when weather conditions do not allow conducting the services, or when is necessary to transport parts in the EU due to maintenance or reparations.

## **Contractual penalty**

### **Article 5**

If the Supplier fails to start perform services until the deadline prescribed in Article 4 of this Contract, Supplier should pay to the Purchaser a contractual penalty in the amount of 0,5 % of the total contract value for each day of delay.

The Purchaser will charge the contractual penalty, without prior consent of the Supplier, by impairment of the account for the amount of non-executed service.

If the damage suffered by the Purchaser due to non-fulfillment of contractual obligations by the Supplier or tardiness in fulfilling contractual obligations by the Supplier, is greater than the amount of contractual penalty, the Purchaser will be entitled to the difference up to the full compensation for damage, and maximum up to the value of the contract.

## **Obligations of the Supplier**

### **Article 6**

Supplier is obliged to perform the service concerned in accordance with the provisions of this Contract, in accordance with the technical specifications in the tender documents, in

professional quality with respect to legal and technical regulations and in accordance with the standards in force for this type of activity.

Supplier is obliged to submit reports on performed services to the Purchaser, for each servis.

### **Obligations of the Purchaser**

#### Article 7

Purchaser is obligated to the following:

- Allow execution of contractual obligations to the Supplier;
- Regularly pay the agreed price to the Supplier, in the manner and within time limits defined in detail in the provisions of this Contract;
- Conduct all other contractual obligations in accordance with the provisions of this Contract.

### **Termination of Contract**

#### Article 8

The Purchaser has the right to unilaterally terminate the contract at any time and without notice, if the Supplier does not fulfill their obligations in the agreed manner and within the agreed term, on which the Purchaser will notify the Supplier.

In case of changed circumstances in Purchaser's operations, the Purchaser reserves the right to withdraw from the purchase of services, without obligation to pay for any damages.

The Purchaser has the right to reduce the financial value of the contract in case of changes in the financial plan of the Purchaser, without the obligation to pay any damages.

### **Transitional and final provisions**

#### Article 9

This Contract shall enter into force upon signature by the Purchaser and the Supplier and lasts until the fulfillment of the financial value of the contract referred to in Article 2 paragraph 3 of the Contract, which Purchaser shall notify the Supplier.

For everything not provided herein, the provisions of the law regulating contractual obligations in the Republic of Serbia and other applicable regulations governing this area will be applied.

#### Article 10

Contractual parties will resolve all arising disputes amicably; otherwise, Commercial Court in Belgrade will be in charge, Republic of Serbia.

#### Article 11

This Contract is made in 4 (four) identical copies, out of which each party retains 2 (two) for its needs.

**FORTHE SUPPLIER**

**FOR THE PURCHASER**

DIRECTOR

ACTING DIRECTOR

Dejan Cika

**NOTE:**

This model contract is the contract which will be signed with the selected bidder (with possible corrections in the subject of negotiation).

The Bidder is required to fill the model contract, stamp and sign the last page of model contract. If the bidder fails to sign the last page of the model contract, the bid will be rejected as unacceptable in terms of the provisions of Art. 106, paragraph 1, item 5) of the Law on Public Procurement.
